MAROKKANISCHE TEPPICHE UND DIE KUNST DER MODERNE

ARHOLDSCH

DEAR CURREY CUSTOMERS,

Welcome to our “big book” for 2023. This is the latest, the greatest and biggest catalog for the year. It features all our introductions from 2022 and our winter introduction for 2023, so you will need last year’s books no further!

We’ve put an enormous effort into merchandising this catalog so that it is easy for you to use. As the number of related product families has grown, we’ve worked to bring those families together onto the same pages. If you are shopping by style, we’ve arranged like styled items together for easy reference. And while the lighting fixture offering at the front of the book is the largest offering we have ever put together, we hope you will look through to the back of the book at our furniture and accessory categories, which have grown robustly over the last two years.

This book is intended as a visual reference for our product line today. If you need in-depth product details, pricing or stock information, we encourage you to visit our website at www.curreyandcompany.com where you will find all the minutia that won’t fit neatly onto the catalog page.

As we begin 2023, we would like to offer thanks for your support during 2022. It was a tremendous year of growth for our company. We’ve continued to press forward creatively with new product collections, expanding old ones and exploring new-to-us categories. As we begin the New Year, we are seeing our inventory and service position back to pre-pandemic levels of readiness. We are pleased to serve you once again with speed. We appreciate your patience while we, and our entire industry, struggled with our supply chain during 2022.

As always, we could not do what we do without you, our valued customer. Thank you so much for your support and your faith in us. We look forward to seeing you in 2023.

Best Regards,

Brownlee Currey
