AL FRESCO

Our Al Fresco collection features curated pieces with relaxed european styling. Delivering the casual look and feel of ageless pieces acquired during travels in the old world. It has a well-traveled aesthetic that is inspired by heirloom pieces found in homes perched on cliffs along the Italian coastline of the Adriatic Sea.

NEW

AL FRESCO

Al Fresco is constructed of oak, maple and hickory veneers and poplar solids, and includes several pieces with stone and metal accents. The principal finish, Sorrento, is a soft taupe blended with a gray two-tone paint, while a variety of gray, blue and black accent finishes add charm and warmth.

Key dining room pieces include a friendship table that has an architectural salvage look – complete with season splits on the pedestals and base and a distressed top that speaks of true authenticity. An 80-inch rectangular dining table features a trestle base with a sliding stretcher, a 60-inch round dining table with a four-pedestal base, an arched top display cabinet and a softly two-tone serpentine buffet.

AMERICAN LIFE - ROSLYN COUNTY

From farm-to-décor looks to rustic luxe, American Life evokes a sense of community, easy living and authentic craftsmanship. This classic farm-to-décor collection, Roslyn County offers heirloom quality and hand-crafted appeal with a simple style that demonstrates how Americans are living.

AMERICAN LIFE - Roslyn County

Trestle bases, planking, rake-back spindles and marquetry add interest to the simple lines of Roslyn County. Metal-bar hardware in an oil-rubbed bronze finish with bolts on the ends complete the look.

Roslyn County is crafted in walnut and hickory, waxed and luxurious to the hand.

Embracing authenticity, Roslyn County offers several intentionally 'deconstructed' pieces to create a sincere, approachable style including an upholstered dining bench, counter stool and a host chair. In all of these pieces, exposed rails and beams create drama on the back, allowing the pieces to float in the room. Roslyn County's big-scale pieces will be at home all across America.

ARABELLA

Our Arabella collection marries two of the most pervasive home furniture trends in the last several years - industrial interiors and laid-back luxurious looks - for a result much greater than the sum of two parts. The new direction takes industrial style, which can become cold and stark, and makes it softer and more romantic by anchoring the look in classic French elements with touches of glam and sparkle.

ARABELLA

All cases finished in the white finish have a luxurious heavily-waxed aluminum top for a true French industrial feel. All finishes can be mixed and curated to create the ideal industrial luxe room. Adding to the French industrial feel, the rectangle leg dining table features a metal fretwork inlay and combines the painted charcoal oak veneer finish with the warm wood finish also on oak veneers.

BEAUMONT

Beaumont is a curated group of one-of-a-kind pieces, inspired by American antiques and the concept of upcycling - the process of giving new life to vintage items with updates such as refinishing or repurposing them for new and unique uses. With roots in traditional design, the collection offers an exquisite and eclectic remix of old and new, combining the look of seasoned antiques and refurbished treasures with the conveniences of newly constructed furniture.

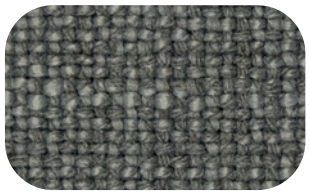

BEAUMONT

Fashioned with a combination of elm and oak veneers, the collection is anchored in Shale, a soft gray with natural wood undertones. Shale is complemented by a mix of rustic accent finishes, including: a light oak Sheaf finish, Root Beer, a dark-tone on elm, French Press, reminiscent of freshly ground coffee with hints of brown and black. Some items feature galvanized, weathered metal accents with mottled copper hardware.

CORSICA

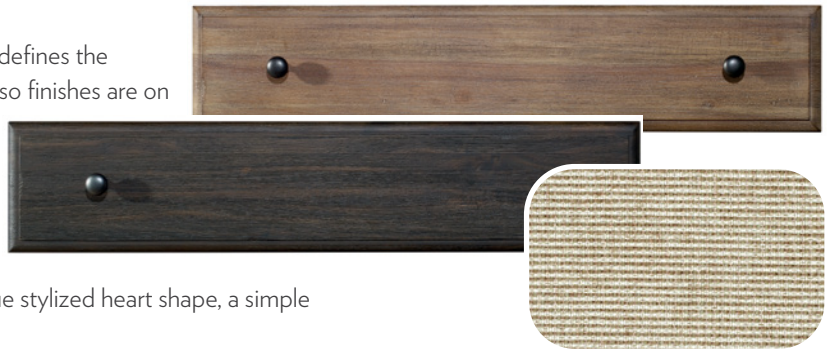

Create a casual, eclectic and engaging dining experience for family and friends with Corsica's dining collection of tables, chic upholstered dining chairs, and companion pieces. Architectural, sculpted pedestals are featured on both the 54-inch round and the 78-inch rectangular table. Each piece is available in the light natural or dark espresso finish. For an eclectic approach, the tables are also offered in a two-tone finish by contrasting the light and dark finish on the table top and base.

CORSICA

A wire-brushed, artisan finish with a reclaimed character defines the Corsica collection. Both the light natural and dark espresso finishes are on exotic and beautiful acacia wood, known for its rustic charm, tactile hand, knots and color variations in serene organic hues of gray, rose and natural.

Corsica's custom-designed, burnished bronze hardware includes a classic swing bail pull, a drop bail with an anique stylized heart shape, a simple knob and a key inspired by an antique latch key.

ELIXIR

Elixir is a casual contemporary collection that, like its name implies, exudes a feeling of comfort, simplicity and well-being. While Elixir has crisp, clean lines, character and visual interest are also achieved through the use of texture. Textural interest comes from the use of lightly sand-blasted walnut veneer, light texture applied to the metal elements along with a hand-carved texture added to the surface of select pieces such as the oval mirror and the round dining table.

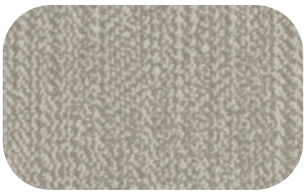

For more information on Elixir items, please see index on page 117.

In dining, there are two fashion-forward tables: a glass-top pedestal table with a textured base and a rectangle table with metal base. The round table is adjustable to either dining or counter height. A rectangular table features a soft brushed brass base and a top with a herringbone pattern veneer. The stunning buffet has a honed stone inlay in the top and a textured starburst pattern carved into the doors.
A serene gray beige main finish complimented by a soft gray accent finish, applied to lightly sand- blasted walnut veneer for an organic and textured look. Selected pieces have carved textured and patterned veneers. Champagne silver finish on the metal elements and hardware.

HILL COUNTRY

The Texas Hill Country is like nowhere else on earth. Known for its exceptional natural landscape that includes rolling hills, flowing rivers, natural formed caverns, and grand visual expanses, the area also features an inspiring mix of Spanish and German influences that are obvious in the food, architecture and music of the area. Collectively, these and other unique characteristics of the Texas Hill Country create a distinctive Texas culture that is quite different from the state's more Southwestern influences.

HILL COUNTRY

For more information on Hill Country items, please see index on page 117.

Hill Country is a collection of bedroom, dining, home office and accent furniture crafted of flat-cut rustic white oak veneer that is cracked before the finish is applied to appear seasoned over time. Selected pieces are crafted in a carved "Gambel Oak" motif inspired by the scrub oaks that are so prominent in the American West.

The main finish is a timeworn saddle brown that is paired with an anthracite black with light dusty-wax hang up to create a two-tone finish that is as authentic as the countryside from which it emanated.

The custom-crafted hardware in an aged pewter finish has shaped back plates and is inspired by hand-wrought ironworks from Texas Hill Country.

RHAPSODY

How do you marry a passion for opulence with a casual lifestyle? The groundbreaking Rhapsody Collection is the answer, bringing together classic design elements, grand scale and a relaxed rustic finish to create an impassioned marriage of casual opulence. Exuberant scale and serpentine shapes infuse the pieces with emotion, while timeless motifs like scrolls, rope twist molding, the acanthus leaf and fleur de lis anchor Rhapsody in old world charm.

RHAPSODY

Grand scale, ornate carvings and serpentine shapes infuse Rhapsody with opulence, and timeless motifs like rope twist molding and the acanthus leaf celebrate the collection's traditional European roots--updated for today's lifestyles. Details such as chevron veneers and gadrooned edges delight both the eye and the hand. The original inspiration for Rhapsody was a scroll carving which became a recurring theme throughout the collection used on several signature pieces.

The defining element of the Rhapsody collection is a walnut-colored finish inspired by the natural yet rustic nature of reclaimed woods in beautiful patinas. The mixture of pecky pecan, hickory, walnut ash and maple veneers over poplar solids creates character through variations of color tones in the wood, knots and striate, adding to the natural, casual feel. Rhapsody's custom antique silver hardware includes a decorative pull with a scroll motif, two sizes of carved floral knobs and a custom drawer pull.

SANCTUARY 2

From bold and dramatic to soft and romantic to a statement-making eclectic lifestyle, the three personas - Collette, Anastasie and Diamant - effortlessly bring to life a well-traveled socialite who has curated a collection of home furnishings in her metropolitan home that tell the story of her travels across the globe.

Collette, a bold and dramatic look, is characterized by its dark black painted finish which serves as the perfect backdrop for intense pops of champagne, silver and gold, along with eglomise mirror details.

Anastasie offers a softer, romantic look with its creamy white finish that is accented with champagne and silver tipping. Several historical reproduction styled pieces in a two-tone finish are intermingled throughout, giving the group a bit of a traditional European cottage style.

Offering a more metropolitan style, Diamant has an eclectic attitude. Anchored by a silver finish with rich undertones of gold and champagne, the group is complemented by a bold, black accent finish, mirrored details, champagne metal finishes and a fresh white eglomise process, accented with silver tipping.

SANCTUARY

Through the Sanctuary Collection, you can create a sanctuary in your own home, a tranquil space that exudes a peaceful calm and grace, almost like a weekend retreat. When you walk into your home at the end of that long day, you will be delighted and your spirit will be renewed.

SANCTUARY

Sanctuary includes a range of styles and finishes that move easily from California villa to Chicago loft to Carolina coastal cottage.

Items may have been inspired by the Mediterranean region, while another got its inspiration from the British West Indies, Swedish countryside or urban America.

Sanctuary's eclectic finishes exude a natural, time worn patina in beautiful colors like Drift, with the antique character of driftwood; Dune, a neutral with a creamy, cottage feel; Ebony, a hand-rubbed black to provide drama and contrast; Vintage Chalky White which is a gently worn dry antique paint patina with the charm of chalk paint finishes. Some items offer a mix of materials including antique mirror, copper and aluminum.

Wood & Veneer Construction

Many of our furniture items are constructed of hardwood solids and veneers or hand-painted finishes over durable wood products such as medium density fiberboard (MDF) and particle board. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture. Due to a wide variety of wood species and decorative designs used in our furniture styles, variations in construction are possible.

Quality From Start To Finish

Of all the aspects of wood furniture, the finish most visibly reflects its character, quality and style. While the finish is one of the last things we do, it's the first thing you see. That's why at Hooker, we utilize a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes "feel" as good as they look, with a smoothness that is delightful to the touch.
